# POTENTIAL TOP PRIORITIES LIST

➜ **Identify and implement 'quick win' changes to improve the website UX**

➜ **Identify potential security vulnerabilities on the site**

➜ **Create standardised website usage reports**

➜ **Develop recommendations for longer-term fixes**

➜ **Develop a blockchain-based strategic solution**

➜ **Clear the backlog from the FEBP scheme**

➜ **Share best practice from other organisations**

➜ **Develop a media response strategy to improve the public perception of the HESG**

➜ **Consider alternative loan/grant schemes to support students e.g. via loans**

➜ **Identify 'quick win' changes to improve the website UX**
